RICE ISSUE IN NORTH CAROLINA.

Appalling Conditions Now Exist in That State.

THE CITIZENS ARE FULLY ARMED

The Blightest Incident May Start a Bloody and Far-Reaching Conflict—Negro Domination is the Cause of the Trouble.

According to press reports, reinforced by the testimony of reputable persons, a race war is imminent in North Carolina. The condition of affairs in a portion of the State is deplorable.

Dr. Cobb, of Goldsboro, a reputable and highly esteemed physician of the North State, was in Richmond Monday, during which he said that the picture of conditions existing in his section had not been overdrawn.

"I keep near my hand, he said, 'a Winchester rifle and a couple rounds of ammunition, and the same preparation for trouble has been made by every reputable citizen of my community.'

The cause of the trouble is that negro officials practically fill every office in certain sections of the State.

"Every thoughtful and humane citizen, from one end of the country to the other, will be appalled by the prospect of a civil war in North Carolina.
